

Keep Monterey County Moving...

Plan Goals

Maintain Safe Streets & Roads

Repair Potholes

Reduce Traffic Congestion

Improve Transportation for Seniors, Youth,
People with Disabilities & Working Families

Make Walking & Biking Safer

Transportation Safety & Investment Plan

Over the last few decades, transportation funding at the federal and state level has reduced significantly, resulting in Monterey County roads deteriorating and becoming unsafe. Local transportation systems are underfunded and need help. TAMC's proposed Transportation Safety & Investment Plan would raise approximately \$600 million over 30 years to address transportation needs. Elected representatives and community organizations throughout the county have come together to create a plan intended to provide solutions for transportation needs throughout Monterey County.

Attracting Matching Funds

This Transportation Safety & Investment Plan will enable Monterey County to apply for state and federal matching funds, potentially doubling the money. Making this investment now for future transportation needs will help to maintain quality of life and ensure safer travel for all of Monterey County's residents.

Taxpayer Safeguards

Strong taxpayer safeguards ensure that the projects and programs will be funded over the lifetime of the plan.

Funding raised by the sales tax can only be used for transportation projects.

An independent Citizens Oversight Committee will assure that revenues are spent according to the plan.

Requires annual independent audits and reports to the taxpayers.

A 30-year sunset means this tax is not permanent; it will require voter approval for renewal.

...and Biking and Walking

Monterey County was recently named the county with the cleanest air in the nation, in part due to the many residents who choose to bike or walk rather than drive to their destination.

Plan Goals

Include sidewalks and bike lanes in local road projects

Repair sidewalks and build safer crosswalks

Create protected paths for bicyclists of all ages

Promote more active and healthy neighborhoods

Examples of projects intended to benefit bicyclists and pedestrians:

Fort Ord Regional Trail and Greenway

Safe Routes to Schools

Intersection safety and sidewalk improvements throughout the county

Bicycle and pedestrian access included on all projects whenever possible
